Dear Gateway,

We are the teachers of a very clever group of two-to-three-year-olds! Our class, #2B, at JM Family Center recently discussed giving, sharing and helping others, during our circle time learning. We talked about how sometimes people need a little help.

These children wanted to help the local community. With the teacher's assistance, the children searched the internet, looked through your website, learned from your photos; and chose to hold a Food Drive to benefit Gateway Community Outreach.

The children collected food from their families and neighbors as well as some of the other teachers in the school.

The children practiced their math skills by counting, sorting, and stacking the different items that we received!

Warmest Regards,

Miss Ann & Miss Moriah, and the children: Austin, Jordi, Lucas, Tyler, Zoe, Beau, Skyler, Isabella, Kellen, Kennedy, Marcus, Abigail, & Sean.
